Dear Team,

Kudos to each of you for the successful sign-off of the LMS Structure.

Under Manish's leadership, the Portall team understood the requirements, created a wireframe, and developed a product that completely addressed the needs of JMB Group.

You have demonstrated agility, perseverance, creativity, and empathy for stakeholders while designing and developing the product well within the timelines.

Thank you, Navin, Pavithra, Kahkashan, Komal, Madhura, and Shilpa, for collaborating as a single team and producing an in-house LMS product – adding to immense monetary savings and a highly customizable product for the organization.

Thanks & regards,

Pracheta Shivasubramanian
